The exterior of the Osprey Flap Jill Pack is made from durable polyester with a water-resistant coating, and the drawcord collar will help prevent rain from seeping in. This backpack can securely carry a 15.4-inch notebook inside the high-density foam-lined compartment (complete with velcro strap), while leaving plenty of space for all the stuff she needs on the go. Available in black, Cornflower, and Khaki exteriors with webbing available in brown, green, and Hot Pink.
