TRAVEL

Whether you're car camping for the weekend or heading out on a serious trek, the right gear makes all the difference between a fun family adventure and an are-we-there-yet slog. Check out these family-friendly products for your next outdoor experience.

FAMILY CAMPING GEAR ROUNDUP

By Molly Newman

OSPREY® FARPOINT SERIES PACK

Introduce your family to the fun of backpacking with a simple, lightweight model like Osprey's Farpoint pack. Offering up to 4200 cubic inches of carrying space, the Farpoint boasts an easy-to-use fixed harness and a detachable daypack that's perfect for short hikes around camp. Plus, it unzips like a duffel so you can easily access items at the bottom of the pack. From \$179, ospreypacks.com
