Complement your loved one's ride with these essential add-ons and accessories to make [riding faster](#) and more fun than ever.—*David L'Heureux*

Osprey Flap Jill Courier Bag

Need to compartmentalize your life? The lightweight Flap Jill Courier has enough pockets for all your random loot, reading material, and a change for [the gym](#), plus a separate, padded laptop sleeve to keep your hardware separate from your software. The shoulder strap sits snugly across your front and a very smart waist strap gives you the option to really lock it in place for [longer rides](#) or walks. Three different strap colors come standard to change up this bag's look and style depending on mood, season, or outfit.
